1. **VonHaus Chisel Set - 10pcs Woodworking Tools Set** - At £34.99 and a rating of 4.6★, the VonHaus set offers a comprehensive 10-piece collection, including a sharpening stone and honing guide. While the EZARC set features a beautiful wooden presentation box, the VonHaus set provides an advantage with its additional tools for maintenance. The blades are made from high-carbon steel, ensuring durability. This set is ideal for beginners or those who appreciate having a complete toolkit for various tasks.

1. **Presch Wood Chisel Set - 6 pcs. incl. Bag** - Priced at £44.99 with a rating of 4.5★, the Presch set includes six chisels ranging from 6mm to 38mm, perfect for detailed work. The fully polished surface allows for immediate use, and the robust metal striking cap adds safety and longevity to the tools. Compared to the EZARC, this set is slightly pricier but offers a greater range of sizes, making it suitable for professionals and those who frequently work on intricate projects.

1. **Narex 863600 Chisel / Mortise Chisel Set** - For £63.97 and a rating of 4.6★, this chisel set specializes in mortising, with chisel sizes of 4mm, 6mm, 10mm, and 12mm. While more expensive than the EZARC, Narex chisels are renowned for their high-quality craftsmanship, perfect for joinery and precise work. If your woodworking projects often involve mortise and tenon joints, this set could be a valuable investment. However, if general chiseling is your focus, it may not be the best fit.

1. **Narex Chisel Set with Wooden Handle Bevelled Edge** - At £82.50 and rated 4.6★, this premium set includes six pieces and comes in a beautifully crafted wooden box. The Narex chisels are made with a high-carbon steel blade, known for excellent edge retention. While the price point is significantly higher than the EZARC set, it offers a professional finish that serious woodworkers will appreciate. Choose this option if you're looking for long-term investment quality and longevity.

1. **Narex Bevel Edge Chisel Set in Wooden Box** - For £84.60 and a rating of 4.6★, this set also includes six chisels and comes in a sturdy wooden box. Similar to the previous Narex set, it boasts high-quality materials and craftsmanship. While this set is on the higher end in terms of price, it's perfect for woodworkers who prioritise quality and usability in their tools. If you're looking for chisels that will last a lifetime and handle a variety of tasks, consider this option over the EZARC.

Still Buy the Original If...

If you're specifically looking for a well-rounded set that includes a nice presentation box, the EZARC set is still a solid choice. It's great for beginners and those who appreciate aesthetics in their tool collection.
